## About the Speaker

### Professor Janaka Karalliedde

*MBBS FRCP FHEA PhD*

*Clinical Reader in Diabetes and Cardiovascular Disease in  
the School of Cardiovascular Medicine and Sciences at  
King's College London*

*Consultant Physician at Guy's and St Thomas Hospital London*

Janaka graduated with a distinction in medicine from the University of London and was awarded UK Medical Research Council Clinical Research Training Fellowship and PhD by the University of London for research on the pathophysiology and treatment of cardiovascular disease and renal disease in diabetes.

He speaks frequently at national and international meetings and has more than 20 years of experience and expertise managing patients with kidney and cardio-vascular complications.

Janaka has established dedicated clinics in the community in London focussed on early identification and intervention in patients at high risk of diabetic kidney and cardiovascular disease.
